Services and network features are the most important thing to consider when picking a host. Maybe even more so than hardware! Minecraft servers are generally very competitive, so if your server is big enough, try looking for a host or hosting package with decent DDoS protection included as standard. Subdomains are generally provided for free, but some hosts take it one step further and provide ...

Minecraft Party Décor. The welcome sign for the party looks like the signs in the game. You can make your own using this free Minecraft font. We also removed water bottle labels, and replaced them with these simple labels with the Minecraft water icon (see a link to the party printables at the end of...
