Free models are models created by the community for other users to get and use in games. However, many veteran users dislike the use of free
models because it discourages creativity or effort in one's games and many contain scripts that can destroy a player's game. However, they are
encouraged by Roblox staff, as they are very useful for game creators who are not so great at building or ...

With your feedback we've been doing a lot of work behind the scenes to introduce our redesigned avatar editor to new platforms. Select from a
wide range of models decals meshes plugins or audio that help bring your imagination into reality.
